| Appoints Vivek Shah as the Commercial Realty Valuation Leader****Press
release****Delhi, August 08, 2017:**

Vivek Shah, the Atlanta based commercial real estate valuation specialist has merged his commercial realty valuations practice into Indé Global Inc., a top business valuations and financial reporting valuations firm, and a member of the leading international accounting firm, KNAV International Ltd. Vivek joins Indé Global as an Associate Partner and the leader of the commercial realty practice.

KNAV International Ltd is one of the leading international accounting firm associations servicing Indian multinational companies through its member firms who have their offices in Atlanta and Santa Clara in the US and Mumbai, New Delhi, Hyderabad and Bengaluru in India.

With over 15 years of experience, Vivek comes with specialized experience in valuations of properties hospitality, retail, office, multifamily, industrial, and mixed-use facilities. More and more US acquisitions by companies include a real property exposure, either through ownership or tenancy. With its focus on acquisition related valuations, including purchase price allocations, Indé Global will now be able to provide a complete spectrum of valuation services to its clients, covering the valuation of both, intangible and tangible assets.

"The integration of Vivek's commercial realty valuations practice is part of our ongoing investment in Indé Global's valuation group. Vivek will play a strategic role on the leadership team as we continue to grow valuation services in the US," said Nishta Sharma, KNAV's managing partner.

"Vivek Shah is an outstanding new addition to Indé Global's business valuation and financial reporting valuations practice. He brings a significant client portfolio to Indé Global, and his broad industry leadership experience and highly nuanced expertise will be an important new asset in our valuation services group," said Rajesh Khairajani, partner-in-charge of valuations practice at Indé Global.

Indé Global Inc. provides business valuations and financial reporting valuations to clients ranging from start-ups to multi-billion dollar enterprises. The group's professionals, among the foremost leaders in US GAAP and IndAS valuations, are frequent industry speakers and authors.
